JAMAICA PLAIN HIGH SCHOOL

EDWARD F. McHUGH
HEAD MASTER

Congratulations and best wishes to the class of 1975

May your future years be filled with
success and happiness.

You should be proud to be a member of
the Class which has the honor of grad-
uating during the Bicentennial celebr-
ation of the United States of America.

You should look back on this occasion
with treasured memories.

Sincerely yours,

Edward F. McHugh

Philip J. Gibbons
Assistant Headmaster

It has been my pleasure to know many of you very well, and I have observed first-hand your excellent class spirit. While it was inevitable that the day would come when you would leave Jamaica Plain High School, to take your place in adult society, 1975 is a difficult period in our nation's history to make this transition.

Very soon, the full fury of the challenges of the present and the future will be thrust upon each of you.

The best advice I can offer to you at this time is that:

"Some people make things happen,
Some watch them happen,
Others wonder what happened."

To a great extent, each of you will determine which of these courses of action will be yours.

Congratulations and Good Luck!
